

1. On April 7, 2015, the parties mediated this dispute before Dean Kilgore. Although the parties made progress in reaching a possible settlement, they were unsuccessful in resolving their differences.

2. ExxonMobil continues to believe that alternative dispute resolution is appropriate. ExxonMobil prefers an additional day of mediation with Dean Kilgore at an appropriate date in the future. Meanwhile, ExxonMobil will continue to work with the other parties to resolve this dispute.

3. Shannon Ratliff of the Ratliff Law Firm is responsible for settlement negotiations for ExxonMobil.
